Charitable Donations

1. *Santa Barbara Catering, The Farm at South Mountain, and Palette at Phoenix Art Museum support a number of charitable and fundraising causes in partnership with our clients, venues, and community organizations that we are involved with*
2. *Our companies have a large base of social and corporate clients and we generally support causes that our clients are involved in*
3. *An annual donation budget is set in our Marketing Plan and our participation is based on the budgeted amount*
4. *Each proposal is examined on its own merits, but we generally only support ventures that are nonprofit*
5. *For fundraising events, we work with the client to maximize the benefits for both our companies, and benefits to the nonprofit organization hosting the event*
